

LAMPTON SCHOOL

STATEMENT OF VISION AND INTENT

The Lampton School community values diversity and seeks to give everyone in the school an equal chance to learn, work and live, free from the action, or fear, of racism, discrimination, or prejudice. By our actions we will work together to develop the potential of all pupils academically, socially, culturally and psychologically and to establish a community that is just and fair for all people who work at or visit Lampton School.

Intent

Students will be happy and healthy, enthused by the intellectual, social and physical challenges posed by their experience at school. They will be independent learners, aware of how to learn and of the role of emotions and dispositions in the learning process, which they draw on to address challenge and difficulty, as well as success.

All staff will have the opportunity to develop further as self-directed, reflective learners, through working collaboratively with others to enhance their own expertise. Through their passion, teachers will enthuse and inspire others to explore new ideas and opportunities.

Parents will fulfil their role as true partners, recognizing their role in the student – school - parent partnership to ensure that their child realises his / her potential.

Governors will contribute to school life on a wider scale, acting as a critical friend to support the school in becoming a nationally recognised centre of excellence.

Ethos

Lampton is a mixed, 11-18 comprehensive school which sees the rich cultural heritage as perhaps the most important of its many strengths. It is a truly international school.

We foster a genuine sense of respect for the individual alongside an appreciation of the cultures and beliefs of others.
